

Reflection

A large crowd of people is gathered in a city street at night. In the background, there are several tall skyscrapers with lit windows. A pedestrian bridge spans across the street above the crowd. The crowd is dense and appears to be participating in a protest or a large public gathering. Many people are holding up their phones, and some are holding signs. The overall atmosphere is one of a significant public event.

- What can I do?
 - As a normal citizen: monitor the enforcement of policies
 - To ensure the money is well-spent

Reflection

- What can I do?
 - As a university student: share relevant knowledge to others, promote the use of energy labels.
 - Raise the awareness of public e.g. energy labels
